Subject: IMPORTANT MESSAGE from Chairman of Intergroup regarding COVID-19
Importance: High

To the groups of the Colorado Springs Area Service Office and their respective Intergroup Representatives,

There have been some questions and concerns shared with our Area Service Office regarding Covid-19. A member contacted the office today to let us know they have tested positive for Covid-19. They attended the 7pm Recovery in Action meeting at [675 Baptist Road](#) last night. Please refer to the CDC and Colorado Department of Health websites for specifics on what to do if you feel you have been placed at risk.

Each group is autonomous, and it is ultimately up to you how you would like to operate moving forward. Attached, is a link to GSO sharing how they are moving forward through this and suggestions that they have. https://www.aa.org/pages/en_US/update-on-covid-19-coronavirus

Information on how other offices are handling the situation is available on icoaa.org as well as on the Technology in A.A. forum (<https://tiaa-forum.org/>)

Due to the suggestions they are providing, I am cancelling the Service Office Open House that was scheduled for tomorrow, Saturday, March 14th. I will be talking with the rest of the Board about temporarily closing the Service Office as well.

If you have any questions or concerns, please don't hesitate to email me.

In love and Service,

Jeremiah T.
Intergroup Chair

Kind Regards,

CONNIE LUSTIG
Office Manager
